## EDUCATION

### BINUS UNIVERSITY, Alam Sutera, Indonesia

Computer Science, Undergraduate Student

2023 - Present

GPA: 3.84 / 4.00

- Related Coursework: Full-stack Web Development, Software Engineering, Agile Software Development

## ORGANIZATIONAL EXPERIENCE

### HIMTI BINUS University

Mar 2025 - Present

*Activist Web Development Division*

- Collaborated with a team of developers to create a new feature for HIMTI official website.
- Applied Agile (Scrum) workflows using Jira to manage tasks efficiently and enhance teamwork.
- Strengthened critical thinking, communication, and collaboration skills through technical brainstorming sessions to propose new features for the HIMTI official website.

### Oikoumene Fellowship

Mar 2025 - Present

*Activist Media Communication Division*

- Collaborated with fellow members to design creative media that fostered community connection.
- Contributed to planning and executing fellowship events through effective communication and coordination.
- Actively contributed to fellowship activities, fostering teamwork and interpersonal growth.

## PROJECT EXPERIENCE

### E-Library

- Developed a full-stack library system with Role-Based Access Control for Admin, User, and Guest roles.
- Integrated Laravel Breeze for secure user authentication and personalized "Favorite Books" functionality.
- Managed book data using MySQL and Blade templates, implementing full CRUD operations and search filtering.

### Garbage Detection

- Developed an AI to detect garbage types using a pre-trained AI model (YoloV5).
- Improved model accuracy through dataset optimization and hyperparameter tuning.
- Created comprehensive project documentation, including training process, and training results.

### Portfolio Website

- Developed a personal portfolio website using React and TypeScript to showcase projects and skills.
- Implemented responsive design with Tailwind CSS to ensure accessibility across devices.
- Configured deployment using Vercel.
